About the camp programs:

2015 Club Pelican

At Club Pelican, science and art unite in one amazing camp! The Batiquitos Lagoon is the "natural" location for this unique camp in which campers learn first-hand the wonders of nature. Guided by an experienced Naturalist, campers will hike the lagoon's trails to explore the animal habitats, native birds and plants, insects and geology that reside there. Next, finding inspiration in the natural wonders they observed, campers will paint, draw, construct, and create artworks of all kind. This fun-filled—and very popular—camp is held in partnership with the Batiquitos Lagoon Foundation and is offered to children ages 7 to 12 years old. Summer Arts Camp Counselors must be at least 15 years of age to assist with campers ages 7 to 9 years old and at least 16 years of age to assist with campers ages 9 to 12 years old at these camp programs.

Club Pelican is held at the Batiquitos Nature Center located off of Gabbiano Lane, Carlsbad.

2015 Creative Arts Camp

This two-week camp emphasizes a collaboration of the visual arts and theatre. Campers will work with a visual artist to experiment with a wide range of media, including painting, drawing, sculptural design, textiles and more! The theatre instructor will lead children through a series of performance activities and exercises. We'll venture into theatre games and participate in improvisation, basic script writing and movement. All activities are designed to promote self-confidence and personal expression. This camp is offered to children ages 9 to 12 years old. Summer Arts Camp Counselors must be at least 16 years of age to assist with this camp program.

Creative Arts Camp is held at the Carlsbad City Library complex, 1775 Dove Lane, Carlsbad, 92011.
